

MISSOURI POLICE CHIEF'S ASSOCIATION

LE Driving 2022

ONLINE DRIVING GRANT APPLICATION

Project Number: 22-PT-02-153

Project description: Provide Law Enforcement with the necessary online training courses related to Online Defensive Driving at no cost to the LE Agency.

Unsafe speed, distraction, and fatigue are the leading cause injury crashes, about one half of the fatal crashes in the law enforcement profession. Almost half of these crashes are single vehicle, with the other half being with a fixed object like a guard rail, electrical pole, or a tree.

Safe Defensive Driving training is limited in it's availability due to under staffing of LE officers throughout the state, making it difficult to provide this type of training.
