Missouri Police Chiefs Association Membership

Your Professional Advantage

What is the MPCA

Since its inception in 1953, The Missouri Police Chiefs Association (MPCA) has set forth specific goals and objectives with the purpose of developing official and personal cooperation between Police Chiefs, law enforcement and governmental agencies. MPCA takes pride in its professionalism to maintain these established relationships.

MPCA has a strong voice at the Missouri State Capitol - fighting for and protecting the law enforcement profession. We keep our members informed on all legislative updates impacting law enforcement. MPCA also provides its members with many training opportunities, as well as other resources to enhance performance and ensure continued success and effectiveness within departments and agencies across the state.

MPCA is also proud to be a long-time sponsor of the Special Olympics Law Enforcement Torch Run and other community betterment activities.
